Subject: PFOA, PFOS and Other PFASs (Forwarded by EPA-Headquarters)

Renea,

Please reference the inquiry below from Ms. Nicol Karn, concerning the compound Gen X in the water systems in Wilmington, North Carolina. Please note, Ms. Karn's inquiry was forwarded by Ms. Christine Dibble with EPA-Headquarters to the Regional EPA website, drupal_admin@epa.gov. If this is an inquiry EPA can respond to, please follow-up with Ms. Karn. Also, please forward cc's to the names listed above to advise or update.

If you have additional questions or concerns, please do not hesitate to contact me at X2-8319.

Thanks for any assistance you can provide.

Comments: We have a report of a compound called Gen X in our water systems in Wilmington, NC from the CFPUA.

Many residents are concerned. Did the EPA approve the Chemours company to discharge this chemical into our drinking water?
